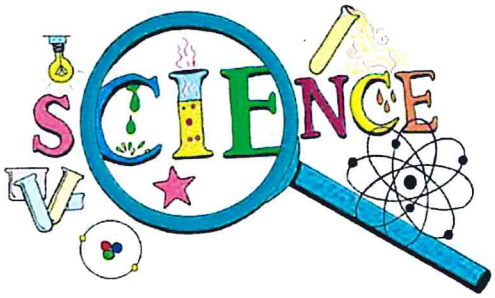
7th October 2019

Dear Parents/Carers,



Year 3 Science Experiment – Chocolate Rocks

On Friday 11th October the Year 3 children will be using chocolate as part of a science experiment. They will be making chocolate rocks! The chocolate used will not contain nuts or be eaten as part of the experiment. The children will be bringing home their chocolate rocks at the end of the day.

If you have any objections and would rather your child did not take part in this practical experiment, please let Miss Tweed or the school office know by 8:30 am on Friday 11th October.

Yours sincerely

PP Mrs J Callaway
Headteacher
