18th October 2016

Dear Parents/Carers,

Year 5 Science Experiment Diwali Coconut Ice

On Thursday 20th October the Year 5 children will be making coconut ice squares for Diwali. They will be measuring and mixing ingredients including condensed milk, coconut, icing sugar and food colouring. Children will not be eating this in school, but will have the option to take some home to try and share with family to celebrate Diwali. No nuts will be used.

If you have any objections and would rather your child did not take part in this practical experiment please let school office know by the morning of Thursday 20th October 2016, likewise if your child is allergic to any of the ingredients please inform the school office.

Yours sincerely

pp. Mrs J Callaway
