1st November 2016

Dear Parents/Carers,

**Reception and Key Stage 1 Maths Information Evening for Parents
Wednesday 9th November 2016 at 5.30pm**

We would like to invite parents and carers to an informal evening where, hopefully, parents will gain an insight into how we approach mathematics in Reception and Key Stage 1, from forming first numbers and counting objects to learning to tell the time and beyond.

There will be demonstrations and explanations from 5.30pm and will last about an hour. Afterwards, there will be an opportunity to have informal discussions with some of the teaching staff after the session. Refreshments will be served.

Please return the reply slip from this letter to help us arrange seating and resources. Please note that this is a meeting for parents; we regret that we cannot accommodate or provide supervision for pupils at this meeting.

Yours sincerely

Mrs J Callaway
Headteacher
