9<sup>th</sup> December 2016

Dear Children & Parents

Below are the details regarding clubs for the Spring Term. Please take the time to help your children think carefully about the clubs they would like to do as they will need to commit to the club for the full term. If there is not sufficient interest in a club, unfortunately, the club will not be able to run. To find out more about a particular club, please see the member of staff that is running it.

**Rugbytots** - The Club will take place every **Friday** from end of school until 4pm. The sessions will be from Friday 20 January to Friday 24 March, from 3.15 – 4.15, a total of 9 weeks and will cost £4 per session making a total of £36. If you would like to look at what Rugbytots is all about, the website at [www.rugbytots.co.uk](http://www.rugbytots.co.uk) will provide you with plenty of information or see what they are about by viewing the short video at [www.letsgomagazine.co.uk/rugbytots](http://www.letsgomagazine.co.uk/rugbytots). If you would like your child to attend this club please tick the box return it to the School Office with £36 (**cash please**) in a named envelope.

**Please see the separate letters regarding Full of Beans clubs. Payment is made directly to Full of beans via the school office Ballet and drama are invoiced separately and all questions and correspondence should be with those particular club leaders.**

### Sports clubs

Children will need full PE kit for these sports clubs and, in line with our school policy, cannot take part in activities without it.

### STEM Club

STEM Club will give children the chance to explore some more advanced aspects of science, technology, engineering and maths. The STEM Club is not completely curriculum based, but will focus on specific disciplines or go across STEM subjects. Activities will include practical experiments, investigations, group work, competitions, discussion and reflection, but most of all they will be fun. The first few planned investigations will be designing and testing paper helicopters and investigating how avalanches occur and how they are controlled. For more information see Mr Ashton in school.

### Chess

Mrs Ryan is kindly running the school chess club for all children who are interested in taking part in the Delancey UK schools chess challenge. This week club will run from 3.40 until 4.30 on Fridays. The first one will be Friday 20 January and the last session will be Friday 17 March.

To ensure your child has a place in their chosen club, please return this form to your child's teacher **as soon as possible. If you have not heard otherwise from us, please assume that your child has a place at the club. Clubs will commence, week beginning Monday 16 January**

Please return the attached form to your child's teacher so that we can add your child to our clubs register.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'M Ashton', with a long horizontal flourish extending to the right.

Mr M Ashton  
**Deputy Headteacher**

Name \_\_\_\_\_ Class \_\_\_\_\_
