NEWS, NOTICES & REMINDERS

Outdoor Play Equipment

We were saddened to discover that children had dismantled the den and were playing in the sand after dismissal (despite the cover being put back on at lunch).

Please could we ask parents to not allow their child(ren) to play on the rubberised area of the playground at the end of the school day.

Avalon Schools Special Visitor – Nathan Young

On Friday 28th February Avalon School had a special visitor, a very inspirational young man call Nathan Young who came to speak to the children about his accomplishments in life and as a young deaf swimmer. Nathan was diagnosed with bilateral sensory neural hearing loss at a very young age and wore hearing aids until at the age of 15, when he underwent an operation to have cochlear implants fitted for both ears.

The children enjoyed learning about how Nathan has overcome so many everyday challenges that hearing people often take for granted. Children from each class were given the opportunity to ask Nathan specific questions and to learn that perseverance and resilience are key qualities for success!

Pollution Patrol!

Eco Club took our morning assembly on Monday 31st January to discuss the importance of not littering. In meetings, they have been talking about ways we could combat littering and look after our school environment even more. Eco club began by finding some facts about what litter does, especially plastic litter in our oceans. Did you know there is a patch of litter in the Pacific Ocean called the Great Pacific Garbage Patch that is three times the size of France! Also, we dump 5-12 million tonnes (5-12 billion kilograms) of litter in the oceans each year!

Eco Club were really shocked with these facts and decided we need to start in school, so made the announcement to all the children in

school to remember to put all of their rubbish in the bin and not leave it around the school grounds. A super assembly Pollution Patrol!

LAMDA Exam

Huge congratulations to all the Speech and Drama pupils who completed the LAMDA Examinations in November. The results were outstanding! 14 pupils entered the examination which involved memorising poetry and prose and a discussion with the examiner. All the children received glowing reports and every child passed, including a high number of merits and distinction grades too. We are very proud of them!

Transfer from Pre-School to Reception September 2022

Our Nursery and Pre-School is a place where children have a memorable and positive start to their educational journey. We believe it is these early years and the primary school years, from the age of 4 to 11, when the educational foundations are laid for everything that follows.

Very young children are curious and enthusiastic; they are learning to learn. Our aim is to harness these qualities in an active, stimulating, happy and secure environment. We nurture children into confident, well prepared and highly motivated learners who will go on to achieve the best for themselves. At the same time, we help them to develop with good manners, self-discipline, honesty and consideration for others, working and playing in a positive and rewarding way. The friendly, secure family atmosphere at Avalon encourages children to become independent learners and caring members of our school community.

You may now be thinking about the next steps for your child into primary school and as a member of our Pre-school class, we would like to offer your child a priority place for Reception in September 2022.

Mrs Callaway would be delighted to show you around the main school so that you can experience for yourself the happy and caring atmosphere that underpins all we do – please call or email Mrs Evans, PA to the Headteacher, annevans@avalon-school.co.uk in our school office, to arrange a visit or talk to your child's key worker.

Monday 7th February 2022

The children of Year 4 would like to invite you to their Class assembly on Monday 7th February 2022 starting at 9:05am in the School Hall.

Due to limited space and to ensure the safety of all the children, staff and parents, we will utilise the following measures:

- Windows and doors will be open during the event to ventilate and improve the air flow in the school hall whilst the event takes place. (You may wish to wear some additional layers of clothing, as the temperature in the Hall may be lower than usual)
- We kindly ask parents / carers to wear a face mask in the school hall communal area (unless exempt). We will make sure that we have some available, should anyone forget to bring one.
- We advise parents and carers to take a rapid lateral flow test prior to attending the event. You can order tests [online](#) or visit a pharmacy. If your test is positive, you should isolate immediately and follow the latest government guidance.
- Please make use of the hand sanitiser on entry and exit from the school hall.
- Entry and exit to the school hall will be via the double doors at the side of the hall, which should be accessed via the Astro turfed playground.
- Doors will open for parents to be seated at 8.50am.
- To limit movement during the gathering, refreshments will not be made available on this occasion.

Should the local COVID case rates and risk levels increase nearer to the date of the event, or Government guidance alter, we reserve the right to put other COVID protective measures or contingencies in place for the safety of everyone involved, or to postpone the event until further notice. The arrangements noted in the Class Assembly letter to parents are, therefore, subject to change. Any changes will be communicated to parents and carers ahead of the assembly.

Dress to Express Day Friday 11th February 2022

It is children's mental health week on Monday 7th to Friday 11th February 2022 and has the theme 'Growing Together'. Following a recent meeting the School Council have organised for their next funding event to support a charity called Place2Be.

Since 2015, the Place2Be charity has supported more than 5300 pupils through one-to-one counselling. The School Council was shocked to learn that 50% of people with lifetime mental health problems first experienced symptoms by the age of 14. The School Council have talked about how the pandemic has affected their own mental wellbeing, such as not being able to see friend or take part in their usual out of school activities and clubs.

On Friday 11th February 2022, all pupils and staff are invited to join our 'Dress to Express' day. Children and staff may come to school dressed in their favourite outfit or colour for a suggested donation of £2.00 each. Donations should be brought into school in a named envelope and handed to form teachers / key workers.

Year 6 children will need to bring PE kit and trainers into school with them on this day.

PSHCE, Relationships and Sex Education Curriculum

As a part of your child's educational experience at Avalon School, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health, Citizenship and Economic (PSHCE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future.

As you may already be aware, the Department for Education announced changes to relationships and sex education following nationwide consultation. These changes came into effect from September 2020 and all schools were required to comply with the updated requirements by Summer 2021. The statutory guidance can be found at:

<https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>

As part of our ongoing curriculum updates, we have been reviewing our RSE (Relationship and Sex Education) curriculum and policy so we can be sure our RSE provision, which will be taught during the next half term, (week commencing 28th February) is appropriate for our pupils based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

Parents will be invited to a virtual parent information meeting on Thursday 10th February (Rec- Y4 at 4.30pm// Y5&6 at 5.15pm via Zoom) to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child at home.

To participate in the consultation survey please click on the link below:

Baby News

We are delighted for Miss Hardy, as she has shared the news with us that she is expecting a baby.

I am sure that you will join us in congratulating Miss Hardy and wishing her well for her pregnancy and the safe arrival of her baby.

Reception Class Height and Weight Screening

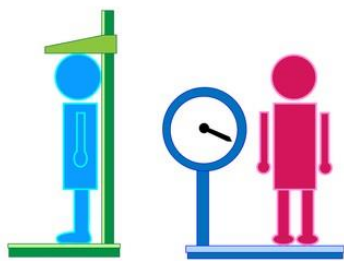

Following the successful introduction of the immunisation e-consent process Wirral Community Health and Care NHS Foundation Trust are delighted to continue this approach regarding the **OPT OUT** consent for the NCMP and School Age Screening service.

There are main advantages to moving to electronic forms:

- the process of giving consent will be much easier and quicker for parents, carers and schools
- reduced risk of forms going missing/not reaching parents
- the process is completely safe, secure and convenient, saving both paper and time
- the school will no longer be required to process paper consent forms on behalf of Wirral Community Health and Care NHS Foundation Trust. All information will be captured directly by the Trust in electronic form.

IMPORTANT REMINDER
Breaktime Snack

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

We have also noticed recently that children are bringing in break time snacks to school which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks. These snacks are not appropriate to brought into school.

Arriving Late to School

For safeguarding purposes, can we please remind parents that if your child is going to be late for school, that you bring your child to the school office so we can ensure that your child has been signed in.

Start of the Day Arrangements

Before school club is from 7.45am to 8.30am. Children attending before school club should enter the hall via the main school glass entrance doors.

From 8.30am to 8.50am parents may drop children off at the school gate which will be manned by Avalon staff. Alternatively parents and carers who may wish to bring their child onto the school site and drop their child off at the allocated entrance doors.

For reception, Year 1 and Year 2, this will be at the main glass entrance doors. For all Junior children, Year 3 to Year 6, this will be at the front door of the junior building.

Late attendance (after 8.50am). If your child is late coming into school, we then ask that parents ring the intercom for assistance and bring their child directly into the school office for registrations.

End of the School Day

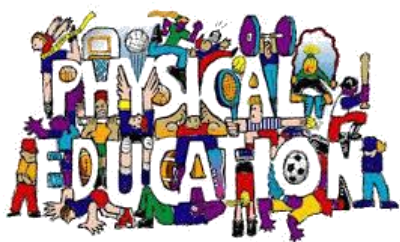

Children's collection arrangements will be similar to pre-COVID and are detailed below as follows:

Collection Time	Class	Where to collect your child
At the end of nursery or pre-school session or nursery wraparound	Nursery & Pre School	Main nursery entrance doors
3.05pm	Reception	Nursery entrance doors
3.05pm	Year 1	Main school glass entrance doors
3.05pm	Year 2	Nursery entrance doors
3.40pm	Year 3	Junior building front door
3.40pm	Year 4	Junior building front door
3.40pm	Year 5	Main school glass entrance

	3.40pm	Year 6	Main school glass entrance
--	--------	--------	----------------------------

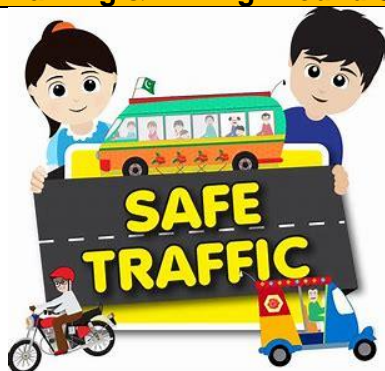

PE Days

Below are the days that the children will be having their PE Lessons. Children should come into school dressed in their full PE kit on their designated PE days. Please could we also request that children have their School Blazer or Waterproof Coat with them, particularly as the weather will soon be turning much cooler. Hats and Caps will not be required on designed PE kit days

Year Group	Days

Year 6	Friday

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldry Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

Pre-Loved Uniform

Thank you all for your continued support of Pre-Loved Uniform. We are now in a position to take donations. Please note we no longer accept the P.E uniform.

If you can ensure the donations are clean and in good condition and wearable. Please leave donations with the school office.

If you do need any uniform, please email uniformpta@gmail.com with any queries you may have. We have lots of items in stock.

Thanks again.

Scam Emails Warning

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates. Any emails you receive containing invoices or statements will be sent from either accounts@avalon-school.co.uk or annevans@avalon-school.co.uk
