Pre-School and Reception Visit to Ness Gardens

The Pre-School and Reception children had a lovely time at Ness Gardens. They learnt about all of the different plants and wildlife as well as collecting any fallen objects such as pine cones, petals and leaves. We want to say a big thank you to all of the parent helpers who were able to assist on the day.

Year 6 Residential – Tattenhall Centre

The year 6 children returned from their residential trip to Tattenhall Centre after having an exciting adventurous week. They are looking forward to a relaxing weekend, ready for school on Monday. We are sure that they will share lots of stories about their activities when they return. A big thank you to all of the staff involved in making this trip possible!

Issues with Pokémon Cards

Following several comments from parents and dealing with a number of issues during playtimes, unfortunately we have had to make the decision that Pokémon cards should no longer be brought to school.

Some of the issues we have discovered, is that friendships have often been unsettled by these cards. On one hand, one can say that these cards bring people together and create new friendships by trading, but on the other hand, one can also say they separate friendships, by causing arguments when the accusations of stealing occur and bad trades happen, whilst children who don't have them, can also feel neglected from the world of Pokémon games at playtime.

Playtimes are a time for children to be physically active and to enjoy their friendships, therefore we respectfully ask that Pokémon cards should stay at home for the time being.

Class Photographs Tuesday 10th May

Class photographs will be taken on Tuesday 10th May in the morning. Children should attend school in their smart summer uniform including blazers.

Parents/Carers of children who do not attend Nursery or Pre-School on a Tuesday but would like their child in the class photograph, we would be grateful if you could arrive at Nursery for 9.30am. Parents/Carers must stay on the site to supervise while the photograph is taken, in accordance with our Adult:Child ratios.. Refreshments will be available.

Sunscreen

As the weather is becoming warmer and sunnier, we would ask that parents apply sunscreen to their children prior to attending school each morning, especially exposed areas such as face, arms and legs. Thank you for your co-operation.

Please also ensure that children have a refillable water bottle each today to keep them hydrated.

It has been brought to our attention that Nivea Kids Protect and Care Coloured Spray SPF 50+ contains organic almond oil, can we please ask parents to be aware of this when purchasing sunscreen for your child(ren).

Year 2 Beach School Sessions

As part of our School's Outdoor Learning Beach initiative, we are planning to take the Year 2 children to the beach at Cubbins Green during this half term. The beach sessions will form part of a cross curricular Transport topic. The children will also learn about the tides, the local environment and how to build a survival shelter as part of their outdoor learning experience.

What children will need to bring to each Outdoor Learning Beach Session:

As you know the weather can be very unpredictable and therefore, we would most grateful if you could ensure that your child is appropriately dressed on the day. The children are to come to school in their full PE kit including their jogging pants or leggings on that day and to bring with them appropriate footwear for walking to and from the beach, as well as on the beach. Children will also need a lightweight waterproof jacket. To carry the equipment that the children will require for each outdoor learning beach session, they will need a small day bag/rucksack and their own water bottle

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldry Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day. Please be mindful when parking and avoid parking across residents driveways.

We thank you for your continued support and understanding as we all adapt to different routines.

IMPORTANT REMINDER

Breaktime Snack

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

We have also noticed recently that children are bringing in break time snacks to school which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks. These snacks are not appropriate to brought into school.

Arriving Late to School

For safeguarding purposes, can we please remind parents that if your child is going to be late for school, that you bring your child to the school office so we can ensure that your child has been signed in.

Start of the Day Arrangements

Before school club is from 7.45am to 8.30am. Children attending before school club should enter the hall via the main school glass entrance doors.

From 8.30am to 8.50am parents may drop children off at the school gate which will be manned by Avalon staff. Alternatively parents and carers who may wish to bring their child onto the school site and drop their child off at the allocated entrance doors.

For reception, Year 1 and Year 2, this will be at the main glass entrance doors. For all Junior children, Year 3 to Year 6, this will be at the front door of the junior building.

Late attendance (after 8.50am). If your child is late coming into school, we then ask that parents ring the intercom for assistance and bring their child directly into the school office for registrations.

End of the School Day

Children's collection arrangements will be similar to pre-COVID and are detailed below as follows:

Collection Time	Class	Where to collect your child
At the end of nursery or pre-school session or nursery wraparound	Nursery & Pre School	Main nursery entrance doors

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates.
