11th September 2025

Dear parents and carers,

**European Day of Languages
Nursery to Year 6
Friday 26th September 2025**

Children from across the school from Nursery to Year 6 will be taking part in an exciting collaborative project to celebrate European Day of Languages on Friday 26th September 2025.

Our aim is to encourage language learning, at any age, and to promote further intercultural understanding and to celebrate both the cultural and linguistic diversity within Europe.

The children in Nursery and Pre-School will be taking part in age-appropriate activities focused on the United Kingdom.

The children in Reception to Year 6 will be working in their house teams throughout the morning. In their house teams, the children will be creating a digital travel guide for their allocated country which will include learning simple greetings, typical foods, key places and landmarks, festivals, music, dress etc.

The house teams will be focusing on the following countries:

- St Andrew: Spain
- St David: France
- St George: Italy
- St Patrick: Germany

To further immerse the children in the cultures, our amazing Catering Team will be providing sample food from each of the countries for the children to try.

If parents and carers have any items such as traditional dress, models of landmarks etc that you would be happy for the children to bring into school that would be very helpful. Any items should be brought into school on the morning of Friday 26th September.
