NEWS, NOTICES & REMINDERS

School Uniform

Could we please ask that full school uniform is worn every day, including blazers, jumpers and school ties, unless it is your child's PE day. We have noticed that other items are being worn with PE kits, such as bright blue PE socks, Blue / Green / Pink trainers. Trainers and PE socks should be plain black.

We appreciate that it's at the end of the year and children may have grown out of shoes and uniform etc, but if this is the case, could parents please notify us in school so that we are aware.

Ice Cream Competition

Winning Entry

Winner of the artisan ice cream competition is J G!
 Jacob's winning flavour is 'Pineapple Delight' which has a lovely tropical mix of pineapple and mango chunks. Yummy!

You will be able to taste Jacob's winning ice cream at our PTA Strawberry Tea on 1st July, along with four other popular flavours, very democratically chosen by our school community!

Year 1 Beach School Sessions

Tuesday 28th June

As part of our School's Outdoor Learning Beach initiative, we are planning to take the Year 1 children to the beach at Cubbins Green during this half term. The beach sessions will form part of a cross curricular Famous People by the Sea topic. The children will also learn about the tides, the local environment and how to build a survival shelter as part of their outdoor learning experience.

What children will need to bring to each Outdoor Learning Beach Session: As you know the weather can be very unpredictable and therefore, we would most grateful if you could ensure that your child is appropriately dressed on the day. The children are to come to school in their full PE kit including their jogging pants or leggings on that day and to bring with them appropriate footwear for walking to and from the beach, as well as on the beach. Children will also need a lightweight waterproof jacket. To carry the equipment that the children will require for each outdoor learning beach session, they will require a small day bag/rucksack and their own water bottle

Dates of each Outdoor Learning Beach Session to coincide with the tide times:

Water Wednesday 29th June 2022

Our School Eco-Council have been working hard all year on a number of different strategies to help make Avalon School a more eco-friendly environment including numerous litter picks around the school site, working with the Catering Team in reducing waste by using reusable cups instead of juice cartons at breaktime and collecting all of the paper recycling from classrooms.

We will be holding a 'Water Week' commencing Monday 27th June with a school assembly where the Eco Council will encourage the school community to think about how we can all do our part to save water.

As part of the 'Water Week', Wednesday 29th June will be 'Water Wednesday'. The day will be a non-uniform day, but we would ask the children to wear something **blue** for a suggested donation of £2.00. All money raised will be used to purchase new push-taps for the children's toilets to help reduce water use and wastage.

Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldy Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day. Please be mindful when parking and avoid parking across residents driveways.

We thank you for your continued support and understanding as we all adapt to different routines.

IMPORTANT REMINDER Breaktime Snack

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

We have also noticed recently that children are bringing in break time snacks to school which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks. These snacks are not appropriate to brought into school.

Arriving Late to School

For safeguarding purposes, can we please remind parents that if your child is going to be late for school, that you bring your child to the school office so we can ensure that your child has been signed in.

Start of the Day Arrangements

Before school club is from 7.45am to 8.30am. Children attending before school club should enter the hall via the main school glass entrance doors.

From 8.30am to 8.50am parents may drop children off at the school gate which will be manned by Avalon staff. Alternatively parents and carers who may wish to bring their child onto the school site and drop their child off at the allocated entrance doors.

For reception, Year 1 and Year 2, this will be at the main glass entrance doors. For all Junior children, Year 3 to Year 6, this will be at the front door of the junior building.

Late attendance (after 8.50am). If your child is late coming into school, we then ask that parents ring the intercom for assistance and bring their child directly into the school office for registrations.

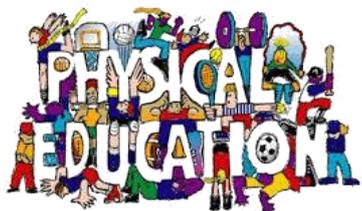

End of the School Day

Children's collection arrangements will be similar to pre-COVID and are detailed below as follows:
