10th November 2025

Dear Parents and Carers,

**Avalon School Traffic and Parking Partnership with Merseyside Police
Tuesday 11th November 2025**

Further to our letter at the beginning of term regarding safer roads around our school. We confirm that we will be working closely with the Merseyside Police Community Engagement Team tomorrow, Tuesday 11th November on a community initiative to address speeding and parking issues along Caldly Road.

The Community Engagement Team will be present on Tuesday 11th November, during morning drop off from 7.30am and will remain in place until all of the children are all safe inside school. The team will be engaging proactively with parents and other road users following feedback from the local authority and other community volunteers. The feedback has highlighted a lack of consideration for pedestrians and road users as being a core issue.

Unfortunately, there have also been some reports of aggressive behaviours being displayed by road users (swearing at volunteers, raising middle fingers and intentionally revving engines etc), and therefore the police feel that a proactive presence is important to support all of our families, as well as tackling these issues with other road users. The local police have also promised that they will continue to frequently monitor this area for speeding and parking issues going forward.

Thank you once again for your continued support in keeping our children, families, and community safe.

Yours sincerely

Mrs J Callaway
