### Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

## IMPORTANT REMINDER Breaktime Snacks

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

Snack which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks are not appropriate to be brought into school.

Thank you for your co-operation.

## Parking & Driving Around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldy Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

## Scam Emails Warning

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.
