Working together in their house teams, the children explored different books set across the globe, discovering new cultures, places and traditions through reading. They greatly enjoyed the reading, teamwork and bringing the books to life.

We have reserved places for a Year 6 residential to Petty Pool Outdoor Centre in Cheshire.

The aims of the residential will be:

- Learn new skills
- Gain an appreciation of the natural environment
- Undertake exciting activities
- Develop an awareness of the needs of others
- Meet personal challenges

The final cost of the trip is £265 (inclusive of VAT). This includes the cost of all travel, meals, insurances, accommodation, all activities and the use of the facilities. Safeguarding

To ensure the safety and wellbeing of all our pupils, we kindly remind you that parents and carers should only enter the school buildings when **with a member of staff or you have shared a valid Enhanced DBS check with the school.**

This is a vital part of our safeguarding procedures and helps us maintain a secure environment for everyone. Thank you for your cooperation and understanding.

Safety Reminder

We kindly remind parents that children should not play on the playground area, outside of school hours, unless closely supervised by an adult. Whilst we strive to ensure everyone's safety during school hours, we cannot be held liable for your children's safety once they have been collected and are in parents' care. Thank you for your understanding and cooperation.

Supporting Families Together: Wirral's Family Toolbox

At Avalon School and Nursery, we understand that parenting can be both rewarding and challenging. That's why we're proud to work in partnership with **Wirral's Family Toolbox** – a free online resource designed to support families in finding the right help, at the right time.

Family Toolbox is a space where you can explore practical advice, local services, and useful tools to help your family thrive. Whether you're looking for tips on routines, managing behaviour, mental health support, or advice on housing and finances, Family Toolbox connects you to trusted information and services – all in one place.

By accessing Family Toolbox early, families can often find solutions before challenges become more complex. This enables **early help**, which we at Avalon, strongly support, working alongside you to build a team around your child when needed.

To explore what's available and find support that works for you, visit:

Recycle Your Empty Printer Cartridges at Avalon

As part of a recycling initiative, we are asking all parents and carers if they would kindly drop off any used Inkjet and toner cartridges to the blue Inkjet recycling box situated outside the school office.

Inkjet and toner cartridges can take up to 1,000 years to compose, so if we can help recycle them, and raise some money for the school at the same time, this is a win-win situation!
