### After School Programme at Avalon Primary School

Time: Tuesday at 3.40pm - 4.40pm

Dates: 3rd, 10th, 17th, 31st OCT, 7th, 14th, 21st, 28th NOV  
8 weeks, £60 per child (£54 for concessions and additional siblings).

Your deadline date to register is: **Tuesday 19th September 2017**

25 Max per class, first come, first served! Thank you!

#### Where's the Air?

Discover the amazing world of air pressure according to Mad Science! Be amazed as foam implodes, marshmallows expand and balloons grow all by themselves! You will never think of air in the same way again!

#### Super Sticky Stuff

Get stuck on science in this crazy introduction to the world of all things sticky! Learn how one man and his dog invented Velcro! Get hands on experimenting with glue and learn how to perform real scientific experiments!

#### Lab Works

Become real laboratory scientists in your very own school based Mad Lab! In this introduction to lab techniques, you will stir, swish & swirl using our authentic lab equipment!

#### Glow Show

Find out how we see light and how it affects objects! Watch in awe as we demonstrate phosphorescence using U.V. light! Learn the secrets behind how real money is manufactured!

#### Slime Time

Secrets revealed behind Mad Science slime in this slimy, sticky class! Get gooey making and testing your own slime in The Mad Science Slime Olympics!

#### Living in Space

Become an astronaut and unlock the secrets of living in space! Learn why astronauts train under water and understand the effects of gravity on the human body!

#### Planets and Moons

Discover our mystical solar system, find out how planets are formed and learn more about the moon! Build a scale model of the solar system in your own classroom!

#### Atmosphere and Beyond

Learn what our atmosphere is made from and how it differs to the atmospheres on other planets! Recreate a rainbow in your classroom!  
(SYSTEM 5)
