

Your access to PSHE Association materials and intellectual property rights

PSHE education is the school curriculum subject designed to keep children and young people safe, healthy and prepared for life, and work, in modern Britain. The best PSHE education is a partnership between parents/carers and schools – and this includes transparency regarding curriculum content and materials.

We are therefore delighted to provide parent/carer copies of all PSHE Association member materials that cover RSHE (Relationships, Sex and Health Education).

This is an example of such a resource. It has been shared with you as a parent/carer by the school or individual who is a PSHE Association member.

We are happy to grant access on this basis of giving you full, personal access to the resource contents, but appreciate your adherence to the following requirements regarding intellectual property rights given the resource is otherwise only accessible to schools and individuals that subscribe to PSHE Association membership.

We are the owner or the licensee of all intellectual property rights in the materials. These works are protected by copyright laws and treaties around the world. All such rights are reserved.

You may print off one copy, and may download extracts, of any page(s) for your personal use as a parent/carer of a pupil at your child's school.
