Year 4 Teaching Arrangements: Summer Term 2023

Dear Year 4 Parents and Carers,

As we are nearing towards the end of the Spring term, I would like to recap the teaching arrangements with you for the Summer term and onwards.

You will remember that when I wrote to parents in December, I was able to share with you that Miss Robertson would be returning from her maternity leave in January, on a part time basis until the summer term, at which point she would resume her full-time teaching post as Year 4 Form Teacher and Science teacher.

As you know, during this interim period, Mrs Jones has been Year 4's Form teacher and has been delivering all KS2 Computing lessons. Therefore, during the summer term, we are delighted that Mrs Jones will be staying on at Avalon, in a part time capacity and will continue to deliver Computing lessons across KS1 and KS2.

Mrs Jones and Miss Robertson have been working closely this term to ensure a smooth handover for Y4 Form teaching and of course the children know Miss Robertson very well already.

We look forward to the new term with both teachers in post, to ensure continuity and enable the very best care and support for our Year 4 children.

Yours sincerely,

Mrs J Callaway
Headteacher
