20th April 2023

Dear Parents and Carers,

**Year 4 Nature Walk
Thursday 27th April 2023**

As part of their current science topic "Classification and Habitats", Year 4 are hoping to go for a nature walk (weather permitting) on Thursday 27th April 2023 to identify living things in the local environment. This will involve Year 4 searching for living things in Caldy Woods (located just behind school). They will be making observations of the plants, minibeasts and possibly wildlife that they find to identify similarities and differences.

If you **do not** wish for your child to join the walk, please let Miss Robertson or the school office know by Monday 24th April, so that we can make alternative arrangements for your child.

If you are happy for your child to take part in the walk, could we ask that your child comes to school with a raincoat (in a plastic bag).

We will keep you posted about their adventure via the Year 4 Blog!

Yours sincerely

Mrs J Callaway
