

20th September 2017

Dear Parents/Carers,

Year 3 Science Experiment – Chocolate Rocks

Tomorrow the Year 3 children will be using chocolate as part of a science experiment. They will be making chocolate rocks! The chocolate used will not contain nuts or be eaten as part of the experiment. The children will be bringing home their chocolate rocks at the end of the day.

If you have any objections and would rather your child did not take part in this practical experiment please let Miss Tweed or the school office know by 8:30 am.

Yours sincerely

Mrs J Callaway
Headteacher
