## Avalon Parent and Carer Questionnaire

To help us make sure we are providing the best standard of education for your children at Avalon, we would like to know how you feel about our school and your child's educational experience.

Please take the time to complete the survey which has been sent home with your child this week and return to the school office by **Friday 10<sup>th</sup> May** using the envelope provided.

Your feedback is very important to us, and we thank you in advance for taking the time to complete the survey.

If you require the survey electronically, please contact the school office or click on the link below.

## Operation Encompass

We would like to inform parents and carers that our school continues to be part of Operation Encompass, which is a national scheme that operates jointly between schools and police forces.

Operation Encompass is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced domestic abuse.

As a school we have ensured that a member of our staff, (Mrs Callaway, Designated Safeguarding Lead) known as a Key Adult, has been trained in the Operation Encompass procedures, allowing us to then use the information that has been shared, in confidence, to support the child/ren in our care.

The Domestic Abuse Act 2021 identifies children who experience domestic abuse as victims of domestic abuse in their own right. We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

## New Stage Curtains

A big thank you to the PTA for organising our fantastic new stage curtains which were replaced over the Easter Holidays. They look amazing, and are just in time for our Junior performances of The Lion King taking place this month.

## Careers Fair

**Wednesday 19<sup>th</sup> June 1.30- 3.30pm 2024**

Our careers fair is planned to take place on **Wednesday 19th June, starting at 1.30pm until 3.30pm**. We know that amongst our whole parent (and extended families) community, there are a great deal of professions, skills and career pathways that many of our children would aspire to and like to find out more about.

If you, or anyone you know, would be willing and available to come into school and support our Careers Fair by sharing some time with our Y5&6 children and talking to them about your career experiences, we would be delighted to hear from you. The event will take place in the school hall

and children will visit each 'Career stall' on a rotational basis to find out about the jobs and careers represented.

**Please click on the link below to access reply slip however if you would prefer to get in touch by email, please do not hesitate to contact Mrs Callaway directly:**

## Scooters and Bicycles

It is lovely to see children coming to school on their bicycles and scooters in the morning. However please could we ask that bicycles and scooters are not left on the school grounds during the day for safety reasons.

Many thanks for your understanding and co-operation.

## Earrings in School

It has come to our attention that there are a number of children wearing earrings in school. Our uniform policy states that for health and safety reasons no jewellery with the exception of a watch may be worn in school.

Therefore, we would be grateful if you could remind children to remove earrings and any other jewellery before coming to school.

We understand that a number of children have only recently had their ears pierced and although it is not ideal, in this instance could we ask parents/carers to ensure that earrings are covered each morning with plasters.

Once the 6-week healing process is complete the earrings should be removed and not worn during school time.

## IMPORTANT REMINDER Breaktime Snacks

We have a number of children in Avalon School with severe allergies. It is vitally important to ensure the health and safety of all the children that only fruit, and vegetables are brought into school for break time snacks.

Snack which are high in salt, sugar and fat such as salted popcorn, crisps, and other sugary snacks are not appropriate to be brought into school.

Thank you for your co-operation.

## Parking and Driving around School

To help keep all members of our school community and our wider community safe please remember not to park on the zig-zag lines outside school when dropping off or picking up children and to aid visibility please avoid parking on the road directly outside school. We would also ask any parents using Warwick Drive to be extra careful and aware of pedestrians using this route to access school.

It would also be much appreciated if parents consider the through traffic along Caldy Road and avoid attempting U-turns in the road. These sorts of manoeuvres in the road can be particularly dangerous for all road users and pedestrians during these busy times of day.

We thank you for your continued support and understanding as we all adapt to different routines.

## Scam Emails Warning

We have been made aware by the Independent Schools Council of recent email scams involving people posing as prospective parents to try to gain access to school details including logo's, email templates etc. This information is then fraudulently used to scam parents into making payments into their accounts. If you do receive an email of this nature or if you are unsure about an email, we would be most grateful if you could contact the school immediately.

Please be assured that our own bank account details have not and will not, for the foreseeable future, change. Avalon School does not send out emails regarding unsolicited discount rates. Any emails you receive

containing invoices or statements will be sent from either
