

Assessment Test 1

This book contains six assessment tests, which get harder as you work through them to help you improve your NVR skills.

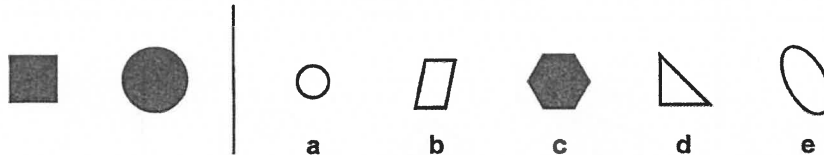

Allow around 30 minutes to do each test and work as quickly and as carefully as you can.

If you want to attempt each test more than once, you will need to print **multiple-choice answer sheets** for these questions from our website — go to cgpbooks.co.uk/11plus/answer-sheets. If you'd prefer to answer the questions on the page, just follow the instructions in the question.
