# Play Schemes

**Our Ofsted registered Play schemes offer quality childcare in a fun, safe environment.**

We believe in the importance of play in a child's development, our highly qualified and experienced staff support the children in their play. Our play schemes offer a wide range of opportunities to experience new things and we respect the child's right to freely choose what activities they participate in. Throughout the day we offer adult led activities that challenge the child to experience something new.

“Children enjoy their time in a very warm and welcoming environment where dedicated staff have a good understanding of how to keep them safe and secure.”

“More than just a play scheme, my children are comfortable and secure in the club and they enjoy it so much they don't want to come home at the end of the day.”

Ofsted Parent

“I love going to holiday club. We have lots of fun and I get to play with my friends. My favourite thing to do is play football and score goals.”
