4<sup>th</sup> November 2019

Dear Parents and Carers,

To help get everyone involved in supporting this year's Road Safety Week, we would like to set up a Walking Bus for the children on each school morning from 18<sup>th</sup> November to 22<sup>nd</sup> November. A walking school bus is a fun and healthy way for children to get to and from school safely.

Staff volunteers will walk with the children to school along the set route **from Hickory's car park, meeting at 8.30am prompt for registration by staff and then walking along Caldly Road and into school.** The walking bus will have a staff adult 'driver' up at the front and a staff adult 'supervisor' at the rear. Staff will be wearing reflective jackets so that they are clearly visible and there will also be some available for children to wear too.

Along the way children can chat to their friends, learn valuable road safety skills and gain some independence, plus in addition to this, it helps to reduce congestion and parking around the school site.

Children joining in with the walking bus must follow all instructions and safety guidelines given by the staff supervisors to ensure their safety along the route.

If you wish for your child to take part in the Walking Bus for Road Safety Week 2019, please complete and return the attached permission and registration slip for your child, by **Thursday 14<sup>th</sup> November**, so that we can compile a Walking Bus Register, for each morning.

**Should you need to change or amend any arrangements during this week, parents must inform the school office by 8.15am on the morning requiring an amendment to the register.**

Yours sincerely

Mrs J Callaway
